No. 341, *dated Camp Mysore,* 9*th March* 1897.

Regulations under the Epidemic Diseases Regulation, 1897, for the Cities of Bangalore and Mysore.

Whereas certain parts of India are visited by, and the Territories of Mysore are threatened with, an outbreak of a dangerous epidemic disease known as the Bubonic plague, and whereas the ordinary provisions of the law in force in those territories are insufficient for the purpose of preventing the outbreak or spread of the disease, the Government of Mysore, in exercise of the powers vested in them under Section 2 of the Mysore Epidemic Diseases Regulation, 1897, are pleased to prescribe the following temporary regulations to be observed in the Cities of Bangalore and Mysore :—

1. These Regulations shall come into force at once aud shall remain in operation until such time as they shall be withdrawn by a Notification in the *Mysore Gazette.*

2. Every house-holder who becomes cognizant of any case of the Bubonic plague or of fever with glandular swellings in his house or in any other private dwelling within the municipal limits of the cities of Bangalore and Mysore, shall be bound to give information of the same to the President of the Municipal Commission, or to a Medical Officer deputed by the Senior Surgeon, or in the absence of any such Officer, to the Surgeon of the District, or to the Sanitary Inspector of the Municipality, with the least practicable delay.

3. The President of the Municipal Commission or any Officer generally or specially authorized by him in writing in this behalf, may, when he considers necessary, enter upon any premises at any time during daylight and summarily execute any work required under, or summarily abate any of the nuisances described or indicated in, Sections 108, 104, 133, 134 and 169 of the Municipal Regulations for the cities of Bangalore and Mysore.

4. When, in the opinion of the President of the Muicipal Commission and of a Medical Officer deputed by the Senior Surgeon, or, in the absence of any such Officer, of the Surgeon of the District, the further occupation of any building or place is, by reason of such building or place or the immediate surroundings thereof being infected with plague, likely to lead to the spread of the disease, the President or any Officer generally or specially authorized by him in writing in this behalf may summarily cause such building or place to be vacated and thoroughly cleansed and disinfected ; and such building or place shall not be re-occupied until in the opinion of the President and of the Medical Officer aforesaid, or, in the absence of such Officer, of the Surgeon of the District, it is safe to be re-occupied ; and the owner or occupier or the tenants or the inmates thereof shall not be entitled to claim any compensation on account of anything done under this regulation.

5. If, in the opinion of the President of the Municipal Commision and of a Medical Officer deputed by the Senior Surgeon, or, in the absence of any such Officer, of the Surgeon of the District, the destruction of any hut or shed is necessary to prevent the spread of the plague, the President or any Officer generally or specially authorized by him in writing in this behalf, may summarily take measures for the destruction of such hut or shed and of the materials of which it is constructed ; and the President may, in his discretion, give such compensation as appears to him reasonable from the Municipal Funds for any loss or damage caused by reason of such destruction.
